

Dear Colleague,

We are proud to announce our **IPNA-ESPN Master for Junior Classes – Second Cycle**, this year, for this First Class, we're planning 1 ½ day, it will be held in **Glasgow – Scotland, September 5-6<sup>th</sup> 2017** (just before 50<sup>th</sup> ESPN Annual Meeting).

This IPNA-ESPN educational program is especially dedicated to Pediatrics residents, Pediatricians with special interest in Pediatric Nephrology, fellows in Pediatric Nephrology and young Pediatric Nephrologists. The whole program includes three meetings in three consecutive years, the full attendance will allow the achievement of the IPNA-ESPN Master. A CME certificate will be distributed after this meeting, also for the ones who were not able to accomplish the whole cycle.

The Scientific Program is already available, please visit ESPN or IPNA official websites.

This is a great educational offer, do not miss it!

We will accept up to 50 applications.

For application procedure, you can send your short CV (birthday mandatory) to Prof. Rezan Topaloglu ([rezantopaloglu@hacettepe.edu.tr](mailto:rezantopaloglu@hacettepe.edu.tr)) or Dr. Ana Teixeira ([anafteixeira@gmail.com](mailto:anafteixeira@gmail.com)).

Deadline for applications – May 20<sup>th</sup>.

With our best regards,

Prof. Rezan Topaloglu (Chair, IPNA Junior Class Committee, ESPN Assistant Secretary)

Prof. Elena Levtchenko (ESPN Secretary General)
