

14th Asian Congress of Pediatric Nephrology

IPNA-AsPNA Junior Master Class

9-10 September 2020; Taipei Grand Hotel

Renal Replacement Therapy for Acute Kidney Injury & Chronic Kidney Disease

The optimal care of patients with acute kidney injury & CKD requires experience and expertise. The Master Class, for residents, fellows & pediatricians, will provide practical, yet comprehensive guidelines for managing such patients.

Preceding the Congress, the Master Class will include lectures on epidemiology, management of dialytic modalities, supportive care & nutrition. The highlight of the program will be a *Joint Session* with the IPNA Best Practice committee.

Registration included in Congress registration fee
